

## Appellate Court Decisions - Week of 7/13/15

### First Appellate District of Ohio

**State v. Thompson, 2015-Ohio-2836**

**Sentencing: Community Control**

**Full Decision: [http://www.hamilton-co.org/appealscourt/docs/decisions/C-140746\\_07152015.pdf](http://www.hamilton-co.org/appealscourt/docs/decisions/C-140746_07152015.pdf)**

#### **Summary from the First District:**

“Any error in the trial court’s failure to conduct a preliminary ‘probable-cause’ hearing during defendant’s community-control-revocation proceeding was harmless, because defendant did not object to the lack of a hearing, pleaded ‘no contest’ to the charges and could not demonstrate any prejudice.

“We can presume from a silent record that the trial court considered the factors set forth in R.C. 2929.11 and 2929.12 prior to imposing sentence.”
